5 Reasons to Leverage Lexell Blue's Functional Consultants

TARA D'ARCANGELO
Principal A&F Consultant

Tara joined LB in March of 2022 as a Platinum subcontractor team member and has over 16 years of experience in government contracting utilizing Deltek Costpoint. Prior experience includes general and cost accounting roles for a large manufacturing company.

Before joining LB, Tara worked as a Senior Finance Manager in the areas of Pools, Revenue, Billing, Project Design & Setup, and Accounts Receivable. As a functional lead and Costpoint SME. She has been involved in multiple implementations and system conversions/consolidations. She designed key reports and metrics and provided cross-functional training. Tara has an A.S. in Accounting from Pierce College and Deltek Certifications in Projects & Pools, General Ledger, and Billing & AR.

1 CUSTOMER RELATIONS

Tara knows the importance of building relationships, trust, and being dependable. She strives to become a trusted member of the client's team and evolve into that go-to person for all your Costpoint needs. Tara will leverage her experience as well as the entire Lexell Blue team to give you the best outcome.

2 MORE ACCURATE FINANCIAL & NONFINANCIAL DATA

Tara can help your company become more adaptable and more cost-efficient by utilizing her experience using Costpoint in the GovCon industry. She has worked as a Senior Finance Manager on multiple acquisitions, integrations, and system upgrades.

3 AGILE BUSINESS APPROACH

Tara takes the time to understand the client's needs from a functional user perspective to work together on solutions for success.

4 STAFF AUGMENTATION & SUPPORT

Whether it's a large implementation project, upgrade, or clean-up, Tara has supported several customers in staff augmentations, mapping & testing, and account reconciliations.

5 INDUSTRY EXPERIENCE

Tara has been using Costpoint since 2005 when she was part of the implementation team at DS2 (Defense Support Services, which later became part of PAE, which was recently acquired by Amentum). She has extensive experience working with large/complex structures, including managing over 400 pools that spanned multiple Costpoint login companies.
