## Meet and Leverage Lexell Blue's Data Integration Consultant

Meet Ying, a valued member of the subcontractor team at LB, who has been involved in government contracting for over 20 years. He began his career as an MS SQL database specialist for the Costpoint/T&E implementation team at Eagle Group International and then moved on to become an HCM consultant at Deltek. As a senior data conversion consultant at Deltek, he focused on integrating Costpoint with third-party software. In 2010, Ying designed and implemented an Integration Platform (I.C.E.) for Technology & Business Solutions. Ying holds a Bachelor of Science in Computer Science from the Georgia Institute of Technology and also has an FAA Private Pilot's License. When he's not working, he enjoys spending time with his family in Southern California.

### 1 INDUSTRY EXPERIENCE

With over two decades of functional and technical expertise, Ying has amassed a wealth of experience that speaks for itself. He has a thorough comprehension of data integration across various ERPs, such as Costpoint, Jamis, Unanet, and Vision.

### 2 SOLUTION LONGEVITY

Ying's hard work and dedication have paid off as his solutions continue to serve his clients even after 15 years of being in production. It's impressive to see the impact of his innovations and how they have stood the test of time.

### 3 TAILOR-MADE SOLUTIONS

He has an impressive ability to tailor-make extensions through API calls, which enables quick execution of stored procedures within the GCCM cloud. Additionally, he's adept at seamlessly importing leave data from Workday and analyzing it in great detail, making processing a breeze.

### 4 QUICK TO ACCLIMATE

Ying is a highly flexible individual who is not limited to working solely with Costpoint instances. He has a wealth of experience working with other platforms, such as AWS/Azure and non-Deltek instances. Additionally, he is skillful at mapping out Costpoint logic for auxiliary systems such as Coupa, Workday, Concur, and many others.

### ★ MEET YING IN-PERSON

If you're heading to ProjectCon, make sure to stop by either Lexell Blue's booth or attend Ying's session on Costpoint Technical Project Juxtaposed with Online Dating. It's sure to be a captivating and informative presentation.

Ying's Session: Tuesday, Oct 17 3:10 PM - 4:00 PM EDT
