

SPOTLIGHT

featuring **Lauren Dunn**

Meet and Leverage Lexell Blue's Project Management Consultant

LAUREN DUNN
Principal PM Consultant

Lauren, an experienced accounting executive, specializes in leading transformative initiatives and implementing complex financial systems such as Deltek Costpoint. With a Bachelor's degree in Accounting and Finance and CPA licensure, she excels in integrating financial systems for Fortune 500 companies. She crafts solutions aligned with business needs.

1 TECHNICAL & INDUSTRY EXPERIENCE

Lauren, a seasoned professional with over 30 years of experience in public accounting, media, and government contracting, excels in project management, system integration, and transformation. With a sharp eye for detail and strategic thinking, she has led numerous successful initiatives, making her a highly sought-after resource.

2 BEYOND TRADITIONAL PROJECT MANAGEMENT

Drawing from her background as a CPA, Corporate Controller, and expert in financial consolidations and Costpoint systems, Lauren offers a nuanced understanding of complex projects. Her insight into project interplay and organizational objectives enables her to anticipate challenges, identify opportunities, and deliver tailored strategies for maximum client value.

3 LEADERSHIP AND TEAM MANAGEMENT

Lauren enjoys fostering collaboration, building high-performing teams, and driving results in fast-paced environments. Committed to empowering team members, leveraging their strengths, and fostering a culture of continuous improvement.

4 EXCEPTIONAL CUSTOMER SERVICE

Lauren prioritizes building strong relationships with clients based on trust, respect, and open communication. By fostering a sense of partnership, Lauren creates an environment where collaboration flourishes, leading to successful project outcomes. Her proactive approach and problem-solving mindset enable her to navigate challenges effectively and drive project success.

5 PROJECT SUCCESSES

- ✓ Aerospace Co. - Database split for pending sale
- ✓ Top 100 Govt Contractor - Acquisition integration (combined \$9B in revenue)
- ✓ Alaska Native Deltek - Costpoint Reimplementation (\$4B)
- ✓ Multi-database integration into a single Costpoint Database (\$1B)
